

Addendum:

SAIC, on behalf of the City of Memphis, is reposting the Request for Information (RFI) for the CS1000 Telephone System Replacement. Questions were received that went unanswered prior to the responses being due. The RFI will be posted for an additional two weeks to allow responses to be adjusted accordingly. The new due date for the RFI will be September 10, 2014. For those who have already submitted information-if the answers to the questions impact your response you will be allowed to make changes to your submission.
